A STATEMENT OF AGREEMENT WOODSTOCK SCHOOL

Having read the literature carefully, I am aware that Woodstock School is a Christian International School, with a student body drawn from some thirty different countries, representing a wide variety of cultural and national backgrounds. I understand that the standards of the school are drawn up in accordance with the school's Christian philosophy, and also in recognition of the fact that the school is situated in India.

I understand that failure to live up to the standards of the school may lead to disciplinary action, including expulsion. These standards include respecting the culture and traditions of India and the people that live both within and outside of the school boundaries. I understand that in living with others in the community, I recognize the need for honesty and integrity and will strive to live in peace and harmony with all other persons in the school community.

I understand that gambling, drug abuse, smoking, alcohol consumption and sexual immorality are forbidden and will be treated as serious offenses.

STATEMENT OF AGREEMENT KODAIKANAL INTERNATIONAL SCHOOL

Having read the literature carefully, I am aware that Kodaikanal International School is situated in a rural, non-cosmopolitan area without the diversions of a city; that most of the school activities are chaperoned; and that students are expected to conform to dormitory regulations. I further understand that the use or possession of alcohol, tobacco or drugs is forbidden, and that a high standard of behavior is expected between members of the opposite sex.

I understand that Kodaikanal International School emphasizes awareness of world problems of injustice, exploitation and poverty and therefore requires each student in middle and high school to be involved in community service projects. I understand that this will demand my time and energy and will provide opportunities for contact with people in need.

I also understand that Kodaikanal International School, as a Christian international boarding school, seeks to encourage the highest standards of citizenship and community relationships and seeks to provide opportunities for the spiritual growth of all its students. These include required religious education classes for one semester each year and one religious assembly each week.
